Census Data Training

The Missouri State Library has reserved a MOTEC facility training room for five days in June and July for any state government group interested in setting up a customized Census class with the Reference Services Division's training librarian.

Classes will cover:

- Census data retrieval tips, customized for each group
- The latest 2010 Census population data releases
- The new [American Fact Finder](#) data tool
- The Census' [American Community Survey](#) program

State agency staff may:

- Select a date, first come, first-served
- Enroll up to 20 people per session
- Request length of class, from 3-6 hours

Available training lab dates:

- June 21, 22, 23
- July 13, 14

Classes can also be arranged at state agency offices upon request
